REPORT OF THE COMMITTEE ON THE
ABSTRACTION OF INDIAN BONDS.

The Select Committee, to whom was
referred, on the 24th day of December, last, directing them to inquire into and report the facts in
relation to the fraudulent abstraction of
certain bonds held by the Government in
trust for the Indian tribes, from the Depart-
ment of the Interior, and to whom was also
REFERRED the matter of Mr. John H. Floyd, late
Secretary of War, and Col. W. H. Floyd, late
Secretary of the Interior.

Mr. Russell, the author of the
report, has given to the Committee the
following abstract of his findings:

All the stocks, including those that were
abstracted, were kept in the room in the
Interior Department occupied by Mr. Bailey,
in a safe, the key of which was in his sole
possession, and he alone had the power to
open it. The stocks were abstracted on
the 1st of January, 1861, and the balance
was delivered to Mr. Russell on the 12th of
January, 1861.

LOUISVILLE, KY.—
SUNDAY MORNING FEB. 17, 1861.

Brevities.

W. H. Gowan, who was dangerously shot by Hug Scott, a gambler of Nashville, on the steamer Uncle Sam, was not dead at last accounts, but likely to recover.

The day that Lincoln was in Cincinnati, was the 52d anniversary of his natal day. He was born in Hodgenville, in Larue county.

Hon. John F. Fisk, of Covington, Ky., will deliver an oration in Cincinnati, on Washington's birthday.

Col. J. B. Bryant, a citizen of St. Louis, and formerly a Quartermaster in the army, died in that city on the 15th inst.

CITIZENS GUARDS.—The members of this veteran company are looking forward to a large parade of their forces on Friday. The Guards have received so many recruits as to render it impossible for them to drill in the confined space which the court-house affords; hence Capt. Morris has called a company drill for tomorrow (Monday) evening at the Masonic Temple.

COMPANY.—A new company of light infantry was organized in the armory of the Hunt Guards last evening, named the National Guards. Mr. D. W. Lawler was elected Captain. This company, we learn, are all Union men.

THE BATTERY AT MEMPHIS.—It seems the people of Memphis are in earnest about the proposition to erect a battery on the bluff at that city. In the city council on Wednesday night a petition containing the following prayer and signed by many of the first citizens, was presented and referred to the Vigilance Committee:

The disturbed condition of the country, the rapid progress of revolution, the dissolving and reconstruction of governments, the want of a strong central government to be made to avoid any calamity that a hostile attack might produce. Situated as Memphis is, the most important and exposed point on the Mississippi, the threatened and threatening attitude now being assumed by the Southern Confederacy, arrived in Vicksburg last week, and was received with military and civic honors, and replied to an address of the Mayor in his usual felicitous manner.

MIRAMON, Ex-President of Mexico, escaped in disguise from Vera Cruz and arrived safely in Havana.

See advertisement of "Lost" in our columns this morning.

Deeds, leases, mortgages, bills of sale, etc., etc., filed upon application, at No. 407 Third street, between Jefferson and Green.

TWENTY negroes to hire and sixteen houses to rent, at No. 407 Third street, between Jefferson and Green.

A large assortment of vases, card receivers, and other articles, at Gay's China Palace, corner of Green and Fourth streets.

BROWNS.—On Monday last, Mr. H. E. Gorin, of Philadelphia, going from Edgerville to Cadiz, Ky., in a buggy, was drowned whilst attempting to ford a creek. It is supposed that he made a mistake as to the depth of water at the place of fording. He was on a collecting tour for a Philadelphia house, and \$45,000 were found upon his person.

The Nashville Patriot says that the money has been placed in the possession of Messrs. Cobb & Co., of Eddyville, Ky., for safe-keeping. Mr. Gorin was the son of Mr. Gorin, formerly of Nashville, now residing at Russellville, Ky.

We have received an acrostic poem dedicated to Miss Jenny Hight, and signed "B." That's right, pole, let'er be.

THE IVORYTYPE, as made at Webster's gallery, is decidedly the most beautiful type ever made, and at present the cheapest of all colored pictures. Go and see them.

THE stock at Gay's China Palace is now complete for the spring trade. Everything in the way of chin, glass, or queensware, gas fixtures, wood and wicker ware, silver-plated, britannia, planished, and japanned wares, is to be found there, one of the largest and best selected assortments in the city, and at low prices.

WE learn from Messrs. Sanford, Duncan & Co. that the steamer John Gaul brought round on her last trip, from the Cumberland river, one hundred and sixty heads of very superior tobacco, consigned to the new warehouse of Messrs. Glover & Co. This tobacco is from the plantation of our fellow-citizen William D. Lindsey, Esq., in Caldwell county. We understand that Mr. T. R. has got one hundred hogsheads to ship to this market. He has heretofore shipped his tobacco to New Orleans, but, believing Louisville to be the best market, has determined to ship to this point.

We believe this is the largest shipment of tobacco ever made in this market from the Green river country by one planter, of his own culture. Other planters contemplate a like change of market.

PARISIAN.—Paris and terra cotta wares at Gay's China Palace.

FIRE.—Last evening, about half past seven o'clock, a fire was discovered in the store of Davis & Speed, on Main, near Second street, but the timely discovery and application of a few buckets of water stopped the threatened conflagration. The damages were slight. The alarm was not given, and the engines did not come out.

Two of Mr. Lincoln's Cabinet have been absolutely settled—one from the North, Mr. Seward, and one from the South, Mr. Bates—the former to be Secretary of State, and the latter Attorney General.

WHAT A FALL WAS THERE!—The Memphis Avalanche says that Prof. Wise, of aromatic fame, is at present engaged in selling apple and candy at the street corners in that city.

THEATRE.—What is the most appropriate Christian name for a street railroad conductor? Oscar.

AN extra large assortment of japaned wares, in sets, at Gay's China Palace, corner of Green and Fourth streets.

THEATER.—The week closed with a rather indifferent audience; partly owing, doubtless, to the fact that Miss Sallie St. Clair was promised for to-morrow evening. This charming actress, who established so great a reputation with our theatergoers a short time ago, returns to us from a highly successful round of characters in other cities, and cannot fail to have even greater success than before. She is a beautiful woman, an excellent actress, and plays that class of comedies which seem to be most attractive to our audiences. She commences her engagement with the play of "Saturn in Paris," in which she sustains several parts.

A very few of those gold hand tea sets, 44 pieces; 1 tea pot, 1 sugar bowl, 1 cream pitcher, 1 slop bowl, 12 tea cups and saucers, 12 tea plates, 2 cake plates, of fine French china, are still left at Gay's China Palace, corner of Green and Fourth streets.

We mail our Weekly one day sooner than usual, in order to reach the cross mails through the country. By this means the Democrat will reach some of our distant subscribers several days sooner than here-tofore.

We know the great anxiety of the public to receive the latest news at the shortest possible time, hence we have made the change for the benefit of our readers.

ACCIDENT.—Horses Drowned.—Yesterday morning one of the freight teams belonging to the Louisville, New Albany and Chicago Railroad, with a wagon load of corn, backed against the spron on the ferryboat Excelsior, which was not fastened up, into the river on this side, drowning the horses. The wagon-bed was recovered, with a part of the corn in sacks. The horses were worth fully \$300, and the corn about \$50.

The new King of Prussia has issued an "Act of Grace," by which the return of various exiles is now possible. Among these names, we see those of Leop. Willig, Cincinnati; Schurz, of the Connecticut legislature; Carl Schurz, of Wisconsin, d. Dr. Hofbauer, of Iowa.

VIRGINIA PROVERBS.—A word to the wise verbum sap.

We may be good and happy without Ritchie.

MILITARY

Our military friends continue to beautify themselves, and the ranks of the different companies in the city are rapidly filling up. Major Host has ordered a battalion drill for Wednesday evening at 7½ o'clock, and a parade for Friday, the 23d, on which occasion the battalion will form on Jefferson street, the right resting on 6th, at 2½ o'clock. We expect this parade will be by far the largest and most beautiful that has been witnessed in our streets for years, and we hope Chief Ray will detail a proper force to clear the streets on the line of March, so the battalion will not be compelled to maneuver through drays and other obstacles as we have seen it do heretofore.

APPOINTMENT BY MAJOR GEN. BUCKNER.—T. H. Lowe has been appointed Second Lieutenant in the Engineer Department of the State Guard.

KENTUCKY RANGERS.—We understand that this cavalry company is hard at work drilling twice a week, and will make its first parade with the Louisville battalion, on the 22d inst.

CITIZENS GUARDS.—The members of this veteran company are looking forward to a large parade of their forces on Friday. The Guards have received so many recruits as to render it impossible for them to drill in the confined space which the court-house affords; hence Capt. Morris has called a company drill for tomorrow (Monday) evening at the Masonic Temple.
